Parenting a child with characteristics of ADHD *

A workshop for Dundonald and Wimbledon Chase parents/carers on:

Friday 8th November, 1:45-3:00pm

Join us at Dundonald School for a presentation, delivered by Dr Kelly Lewis-Cole, Clinical Psychologist, where we will:

- Share experiences of parenting, in a non-judgmental space
- Celebrate the strengths of children with characteristics of ADHD
- Learn practical ways of supporting children with some of the difficulties associated with ADHD

*** The workshop is open to all parents/carers of children with characteristics of ADHD, regardless of whether they have a diagnosis or not.**
